Toorak Residence with Modern Sophistication!

Award-winning designers Hecker Guthrie combine bespoke design with cutting edge features in this stunning townhouse that creates a new benchmark for inner-city living, a mere stroll from the heart of the vibrant Toorak Village.

This three bedroom, three -bathroom townhouse is set over four levels with a superb rooftop terrace with views over the prestigious suburb. The surprisingly large residence provides abundant accommodation and plenty of surprises – from the fitted study, to the Italian lift, basement wine room, spacious laundry and home theater.

A dramatic entrance with a black steel-framed glass pivot door and Venetian polished plaster walls sets the scene for large-scale living. The handsome home, with its contemporary palette of greys, whites and black, offers a sleek kitchen with honed marble benchtop and splash-back and Gaggenau appliances including induction cooktop, microwave, oven,

combi-steam oven and warming drawer. An integrated Liebherr fridge/freezer, Blum electric drawer closers, pendant lights over the island bench and plentiful storage are more features. The adjoining
